Liability for Content

As a service provider, we are responsible for our own content on these pages pursuant to § 7(1) DDG (Digital Services Act – Germany) and general legislation.
However, according to §§ 8 to 10 DDG, we are not obliged to monitor transmitted or stored third-party information or to investigate circumstances indicating unlawful activity.

Obligations to remove or block the use of information under general laws remain unaffected. Any liability in this regard is, however, only possible from the moment we become aware of a specific infringement. Upon becoming aware of such legal infringements, we will remove the content immediately.

Liability for Links

Our website contains links to external third-party websites on whose content we have no influence. Therefore, we cannot assume any liability for such external content. The respective provider or operator of the linked pages is always responsible for their content.

The linked pages were checked for possible legal violations at the time of linking. No unlawful content was identifiable at that time.

A permanent content review of the linked pages is not reasonable without concrete evidence of an infringement. If we become aware of any legal violations, we will remove such links immediately.
